## Parent Advisory Council

This year we have a new Parent Advisory Council that will serve as your grade level representatives. If you have any suggestions for ways to improve the school academically or socially, then you need to email your concerns to YOUR grade level representative. The next meeting the Council has, we will discuss the concerns or suggestions that you had and do our best to improve our school. It is important that we voice our concerns in a positive manner so we can work together to make Meadowbrook a positive learning environment.

### Kindergarten representative:

### First grade representative:

Kim Ball- [carparents27@gmail.com](mailto:carparents27@gmail.com)

### Second grade representative:

Monica Dills- [monidills@charter.net](mailto:monidills@charter.net)

## Upcoming Events

9/11 K-2 Literacy Lunch and Learn at 12:00-1:30

This will be an opportunity for parents of children in K-2 to come and eat lunch at Meadowbrook and learn about essential literacy skills needed in the early grades in order to become successful readers. All parents are invited and lunch will be provided.

## Volunteer Update:

We will be doing monthly volunteer schedules so you will know a month ahead of time when you are volunteering. We have so many volunteers that we won't be able to schedule everyone every month but we will make sure you have a chance to volunteer throughout the year. If you are volunteering for the month we will contact you ahead of time. Reading and Math volunteers you will be contacted soon to come in and be trained on tutoring. Thank you so much for all your help!
